A pre-op/admission screening is required prior to your surgery.* Includes pre-op lab test. Your physician must fax, or you must bring, this form along with a written request with screening specifications for insurance to cover the visit. Please make a reservation at one of the Hoag Urgent Care locations listed below.

Must be completed by 4pm on: _____

A COVID-19 nasal (PCR) pre-op lab test is required 5 days prior to your surgery.* COVID-19 testing *includes assessment and office visit.* Please bring this completed form to Hoag Urgent Care. Please make a reservation at one of the Hoag Urgent Care locations listed below.

Must be completed by 4pm on: _____

IMPORTANT INFORMATION

■ PRE-OP TESTING IS AVAILABLE AT THE FOLLOWING TWO LOCATIONS:

SAND CANYON: 949-557-0000 - 16205 Sand Canyon Ave, Irvine, CA 92618

NEWPORT BEACH: 949-791-3006 - 500 Superior Ave, Newport Beach, CA 92663

■ A RESERVATION IS REQUIRED AT <https://hoagurgentcare.com/preoptest/>

If you do not make a reservation in advance, we will not be able to test you.

■ **TEST RESULTS** will be provided to your surgeon and may also be available through your MyChart (Epic) account. Additional information will be provided during your testing visit.

■ **PRE-OP TESTING IS ONLY AVAILABLE FOR HOAG SURGEONS:** If your surgeon is not a Hoag-affiliated surgeon, you will not have access to test results even if you are tested.
